Donn,

I am interested in attending and participating in upcoming meetings.

A tentative date would be beneficial in many ways, particularly planning and travel preparation.
Are you currently working with a tentative date?

Thank you,
Crystal

Subject: San Jacinto Waste Pits Site CAC Update

As a result of the Government shutdown and related activities, we did not schedule a November CAC meeting. We will postpone that until after the Holidays and instead conduct a Community wide open house in January for residents, to update the RI/FS and other recent site events.
